SNO : 973

UDISE Code of School : 1141601801

Province : Jammu

Districts : Kathua

Block of District : mahanpur

School Educational Zone : Mahanpur

CRC : girls middle school nagrota pretha

Type of School : Middle

Name of School : middle school poonda

1.Total No. of students enrolled in the school? : 14

Total No. of students covered under Mid Day Meal Scheme : 14

2(i). Whether the food grains are transported from FCI or supply is taken from fair price shop?

Foodgrains are transported by CAPD Deptt. and made available at Govt. Depot/Fair Price Shop nearest to the school

2(ii). What are the arrangements for transporting food grains from FCI godown/fair price shop to school to ensure that the actual quality and quantity as supplied by these agencies reaches to the school store room?

by private bus

3(i). How quality of cooked meal, particularly addition of vegetables and supply of fruits, eggs etc. are ensured?

As per the guidelines of the scheme 50 gm of vegetable for Pry and 75 gm for U.Pry should be served in cooking meal served to the children. Fruits and eggs are not served in our school. I/c MDM is responsible for ensuring the quality

3(ii). How is the calorific value (450 calories and 12 gms. of protein to every child at primary level & 700 calories and 20 gms. of protein to every child at upper primary level) ensured?

Nutritious meals is served in the school. There is no way of measuring calorific value in however

3(iii). What is the system of assessing the nutritional value of the meal under MDM scheme?

No system is available in school but we try to serve nutritious meals to the children

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under PwY and vegetables 75 gm and dal 30 gm under Upper PwY.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

pucca

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

yes

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

no

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

yes..50kg

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

yes.20 plates

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

yes

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

no

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

no

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

no water arrangements

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

yes..veranda

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

firewood

5(xii). Reason for not using gas based cooking and proposal to convert.

no

6(i). Details of plan to train teachers and organizers/cooks/helpers?

no plan

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

yes

7(i). Details of orienting teachers regarding their role in the scheme?

no

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

yes

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

yes

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

cooks

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

no ngo

8(iii). Total No. of Organizers,cooks and helper.

2

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

no ngo

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

1000/pm

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

zeo

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

no

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

no

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

no step taken

10(ii). What are the mechanisms for monitoring the scheme?

as per rule of zeo/ceo

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

0

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

no evaluation done

3(i). How quality of cooked meal, particularly addition of vegetables and supply of fruits, eggs etc. are ensured?

As per the guidelines of the scheme 50 gm of vegetable for Pry and 75 gm for U.Pry should be served in cooking meal served to the children. Fruits and eggs are not served in our school. I/c MDM is responsible for ensuring the quality

3(ii). How is the calorific value (450 calories and 12 gms. of protein to every child at primary level & 700 calories and 20 gms. of protein to every child at upper primary level) ensured?

Nutritious meals is served in the school. There is no way of measuring calorific value in however

3(iii). What is the system of assessing the nutritional value of the meal under MDM scheme?

Required good quality of cooking material

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under Pry and vegetables 75 gm and dal 30 gm under Upper Pry.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

Yes. 12\*8 sq. Ft.

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

No

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

No

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

Yes. 1 Steel container of 3quintal

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

Yes

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

Yes

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

No

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

Yes

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

Yes

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

Yes. Size of veranda is 30\*10 sq. Ft.

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

Smokeless chulha

5(xii). Reason for not using gas based cooking and proposal to convert.

No connection

6(i). Details of plan to train teachers and organizers/cooks/helpers?

No

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

Yes

7(i). Details of orienting teachers regarding their role in the scheme?

No

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

Yes

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

Yes

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

Cooks engaged

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

No

8(iii). Total No. of Organizers,cooks and helper.

2

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

No

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

Yes

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

ZEO and VEC

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

No

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

Yes

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

SMC committees formed

10(ii). What are the mechanisms for monitoring the scheme?

Randomly checking

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

Yes

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

No

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under Pry and vegetables 75 gm and dal 30 gm under Upper Pry.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

Yes,12\*10

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

No

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

NA

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

yes,1no.

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

Yes,Three pans,one cooker,35 plates,35 glasses,35 spoons

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

Yes

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

Yes,1 no.

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

Yes

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

Yes

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

Yes,60\*8

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

Firewood

5(xii). Reason for not using gas based cooking and proposal to convert.

Inadequate sources

6(i). Details of plan to train teachers and organizers/cooks/helpers?

No plan

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

Yes

7(i). Details of orienting teachers regarding their role in the scheme?

Yes

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

Yes

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

Yes

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

Cooks

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

NA

8(iii). Total No. of Organizers,cooks and helper.

1

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

NA

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

Rs1000 pm

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

By ZEO

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

No

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

Yes

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

It is being proved to be effective

10(ii). What are the mechanisms for monitoring the scheme?

SMCS,MTA VEC

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

Not known

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

Not known

## Data Captured as per the Compliance of W.P No.618 of 2013 for Zone Mahanpur in Kathua

SNO : 982

UDISE Code of School : 1141600602

Province : Jammu

Districts : Kathua

Block of District : Mahanpur

School Educational Zone : Mahanpur

CRC : MS Kehlari

Type of School : High School

Name of School : Higher secondary school Mara patti

1.Total No. of students enrolled in the school? : 300

Total No. of students covered under Mid Day Meal Scheme : 30

2(i). Whether the food grains are transported from FCI or supply is taken from fair price shop?

Foodgrains are transported by CAPD Deptt. and made available at Govt. Depot/Fair Price Shop nearest to the school

2(ii). What are the arrangements for transporting food grains from FCI godown/fair price shop to school to ensure that the actual quality and quantity as supplied by these agencies reaches to the school store room?

By load carrier

3(i). How quality of cooked meal, particularly addition of vegetables and supply of fruits, eggs etc. are ensured?

As per the guidelines of the scheme 50 gm of vegetable for Pry and 75 gm for U.Pry should be served in cooking meal served to the children. Fruits and eggs are not served in our school. I/c MDM is responsible for ensuring the quality

3(ii). How is the calorific value (450 calories and 12 gms. of protein to every child at primary level & 700 calories and 20 gms. of protein to every child at upper primary level) ensured?

Nutritious meals is served in the school. There is no way of measuring calorific value in however

3(iii). What is the system of assessing the nutritional value of the meal under MDM scheme?

## Purchasing good quality of cooking material

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under Pry and vegetables 75 gm and dal 30 gm under Upper Pry.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

Yes, 12"8'

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

No, school kitchen

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

Yes, 2

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

Yes

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

Yes

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

Yes, 3

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

Yes

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

Yes

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

Yes

5(xi). Nature of fuel being used (gas based, smokeless chullahs, traditional method of firewood, kerosene, etc.)

Gas based and smokeless chullah

5(xii). Reason for not using gas based cooking and proposal to convert.

Using gas

6(i). Details of plan to train teachers and organizers/cooks/helpers?

No

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

Yes

7(i). Details of orienting teachers regarding their role in the scheme?

2

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

Yes.proper instructions and checkup in assembly

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

Yes.proper instructions and checkup in assembly

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

Yes

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

Zero meter

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

Yes

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

Yes 2 2x2 steel

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

Yes

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

Yes

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

One

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

Water supply

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

Yes

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

Verandah 7×18

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

Firewood

5(xii). Reason for not using gas based cooking and proposal to convert.

No subsidy facility

6(i). Details of plan to train teachers and organizers/cooks/helpers?

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

7(i). Details of orienting teachers regarding their role in the scheme?

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

Yes

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

Yes

Cook

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

Deptt

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

No

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

No

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

No involvement

10(ii). What are the mechanisms for monitoring the scheme?

By involvement of department agencies

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

Yes

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

No

## Data Captured as per the Compliance of W.P No.618 of 2013 for Zone Mahanpur in Kathua

SNO : 986

UDISE Code of School : 1141602401

Province : Jammu

Districts : Kathua

Block of District : Dhar Mahanpur

School Educational Zone : Mahanpur

CRC : Dhar Mahanpur

Type of School : Higher Secondary School

Name of School : GHSS Dhar Mahanpur

1.Total No. of students enrolled in the school? : 126

Total No. of students covered under Mid Day Meal Scheme : 126

2(i). Whether the food grains are transported from FCI or supply is taken from fair price shop?

Foodgrains are transported by CAPD Deptt. and made available at Govt. Depot/Fair Price Shop nearest to the school

2(ii). What are the arrangements for transporting food grains from FCI godown/fair price shop to school to ensure that the actual quality and quantity as supplied by these agencies reaches to the school store room?

Through Labour

3(i). How quality of cooked meal, particularly addition of vegetables and supply of fruits, eggs etc. are ensured?

As per the guidelines of the scheme 50 gm of vegetable for Pry and 75 gm for U.Pry should be served in cooking meal served to the children. Fruits and eggs are not served in our school. I/c MDM is responsible for ensuring the quality

3(ii). How is the calorific value (450 calories and 12 gms. of protein to every child at primary level & 700 calories and 20 gms. of protein to every child at upper primary level) ensured?

Nutritious meals is served in the school. There is no way of measuring calorific value in however

3(iii). What is the system of assessing the nutritional value of the meal under MDM scheme?

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under Pry and vegetables 75 gm and dal 30 gm under Upper Pry.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

Yes

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

NO

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

NA

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

NO

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

Yes ,1 Cooker 20 ltr, 2 Patila 30 Ltrs, 1 Patila 5 ltrs,

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

NO

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

Yes

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

Yes

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

Yes

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

Veranda width 6 feet and length 20 feet

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

Gas

5(xii). Reason for not using gas based cooking and proposal to convert.

NA

6(i). Details of plan to train teachers and organizers/cooks/helpers?

Training plan prepared by the Higher Authority

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

Yes

7(i). Details of orienting teachers regarding their role in the scheme?

By giving orientation training to Teachers by Higher Authority

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

Yes

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

Yes

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

Cooks/Helpers engaged by the department

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

NA

8(iii). Total No. of Organizers,cooks and helper.

2

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

NA

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

Rs. 1000 P/M

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

Through resolution submitted by VEC and engaged by concerned ZEO.  
As per the norms fixed by the department.

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

NO

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

Yes. Monthly meeting

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

Yes

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

Yes

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

Yes veranda

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

Gas firewood

5(xii). Reason for not using gas based cooking and proposal to convert.

Sometimes non availability of gas

6(i). Details of plan to train teachers and organizers/cooks/helpers?

Not planning

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

Yes

7(i). Details of orienting teachers regarding their role in the scheme?

To run smoothly

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

Yes

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

Yes

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

Cook

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

No

8(iii). Total No. of Organizers,cooks and helper.

1

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

No

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

Cook

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

VEC AND DEPARTMENT

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

No

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

Yes no

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

Regularly check up

10(ii). What are the mechanisms for monitoring the scheme?

DIET CONVENIOR

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

Yes

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

No

## Data Captured as per the Compliance of W.P No.618 of 2013 for Zone Mahanpur in Kathua

SNO : 990

UDISE Code of School : 1141601404

Province : Jammu

Districts : Kathua

Block of District : Mahanpur

School Educational Zone : Mahanpur

CRC : Mahanpur

Type of School : Middle

Name of School : Government UPS Berighat

1.Total No. of students enrolled in the school? : 68

Total No. of students covered under Mid Day Meal Scheme : 68

2(i). Whether the food grains are transported from FCI or supply is taken from fair price shop?

Foodgrains are transported by CAPD Deptt. and made available at Govt. Depot/Fair Price Shop nearest to the school

2(ii). What are the arrangements for transporting food grains from FCI godown/fair price shop to school to ensure that the actual quality and quantity as supplied by these agencies reaches to the school store room?

No

3(i). How quality of cooked meal, particularly addition of vegetables and supply of fruits, eggs etc. are ensured?

As per the guidelines of the scheme 50 gm of vegetable for Pry and 75 gm for U.Pry should be served in cooking meal served to the children. Fruits and eggs are not served in our school. I/c MDM is responsible for ensuring the quality

3(ii). How is the calorific value (450 calories and 12 gms. of protein to every child at primary level & 700 calories and 20 gms. of protein to every child at upper primary level) ensured?

Nutritious meals is served in the school. There is no way of measuring calorific value in however

3(iii). What is the system of assessing the nutritional value of the meal under MDM scheme?

No system is available in school but we try to serve nutritious meals to the children

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under Pny and vegetables 75 gm and dal 30 gm under Upper Pny.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

Yes 15-8

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

Within school

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

Common sense

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

Yes 2 no. Of store bins each of 100 kgm

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

4-significant as our requirement

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

No

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

No

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

No

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

Yes

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

Yes

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

Firewood

5(xii). Reason for not using gas based cooking and proposal to convert.

No gas connection to

6(i). Details of plan to train teachers and organizers/cooks/helpers?

Through instructions

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

Yes

7(i). Details of orienting teachers regarding their role in the scheme?

All staff members

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

Yes

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

Yes

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

Cook's helpers

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

No

8(iii). Total No. of Organizers,cooks and helper.

2

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

No

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

Yes

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

Concerned Zeo through Vec

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

No

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

No

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

Improving quality of meal

10(ii). What are the mechanisms for monitoring the scheme?

Checking on daily basis

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

No

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

No

No

10(ii). What are the mechanisms for monitoring the scheme?

SMC

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

No

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

No

## Data Captured as per the Compliance of W.P No.618 of 2013 for Zone Mahanpur in Kathua

SNO : 994

UDISE Code of School : 1141600209

Province : Jammu

Districts : Kathua

Block of District : Mahanpur

School Educational Zone : Mahanpur

CRC : Mahanpur

Type of School : Primary

Name of School : Govt.primary school mahanpur

1.Total No. of students enrolled in the school? : 25

Total No. of students covered under Mid Day Meal Scheme : 25

2(i). Whether the food grains are transported from FCI or supply is taken from fair price shop?

Foodgrains are transported by CAPD Deptt. and made available at Govt. Depot/Fair Price Shop nearest to the school

2(ii). What are the arrangements for transporting food grains from FCI godown/fair price shop to school to ensure that the actual quality and quantity as supplied by these agencies reaches to the school store room?

Auto

3(i). How quality of cooked meal, particularly addition of vegetables and supply of fruits, eggs etc. are ensured?

As per the guidelines of the scheme 50 gm of vegetable for Pry and 75 gm for U.Pry should be served in cooking meal served to the children. Fruits and eggs are not served in our school. I/c MDM is responsible for ensuring the quality

3(ii). How is the calorific value (450 calories and 12 gms. of protein to every child at primary level & 700 calories and 20 gms. of protein to every child at upper primary level) ensured?

Nutritious meals is served in the school. There is no way of measuring calorific value in however

3(iii). What is the system of assessing the nutritional value of the meal under MDM scheme?

No system is available in school but we try to serve nutritious meals to the children

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under PwY and vegetables 75 gm and dal 30 gm under Upper PwY.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

Yes.combine

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

No

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

No

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

Yes.plastic 3kg

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

Yes

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

Yes

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

Yes

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

Yes

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

Yes

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

Veranda

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

Gas firewood

5(xii). Reason for not using gas based cooking and proposal to convert.

No

6(i). Details of plan to train teachers and organizers/cooks/helpers?

No

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

Yes

7(i). Details of orienting teachers regarding their role in the scheme?

No

No

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

Yes

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

To make a V.E.C. committee and mother teacher association to supervise preparation of meals and feeding of children

10(ii). What are the mechanisms for monitoring the scheme?

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

Yes

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

No

## Data Captured as per the Compliance of W.P No.618 of 2013 for Zone Mahanpur in Kathua

SNO : 998

UDISE Code of School : 1141600604

Province : Jammu

Districts : Kathua

Block of District : Basholi

School Educational Zone : Mahanpur

CRC :

Type of School : Primary

Name of School : GPS mara

1.Total No. of students enrolled in the school? : 16

Total No. of students covered under Mid Day Meal Scheme : 16

2(i). Whether the food grains are transported from FCI or supply is taken from fair price shop?

Foodgrains are transported by CAPD Deptt. and made available at Govt. Depot/Fair Price Shop nearest to the school

2(ii). What are the arrangements for transporting food grains from FCI godown/fair price shop to school to ensure that the actual quality and quantity as supplied by these agencies reaches to the school store room?

By fair price

3(i). How quality of cooked meal, particularly addition of vegetables and supply of fruits, eggs etc. are ensured?

As per the guidelines of the scheme 50 gm of vegetable for Pry and 75 gm for U.Pry should be served in cooking meal served to the children. Fruits and eggs are not served in our school. I/c MDM is responsible for ensuring the quality

3(ii). How is the calorific value (450 calories and 12 gms. of protein to every child at primary level & 700 calories and 20 gms. of protein to every child at upper primary level) ensured?

Nutritious meals is served in the school. There is no way of measuring calorific value in however

3(iii). What is the system of assessing the nutritional value of the meal under MDM scheme?

No system is available in school but we try to serve nutritious meals to the children

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under PwY and vegetables 75 gm and dal 30 gm under Upper PwY.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

Yes 15x8

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

Nil

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

Nil

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

No

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

Yes 35 plate and glass

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

Yes

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

Yes

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

Yes

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

Yes

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

Yes 20x10

5(xi). Nature of fuel being used (gas based, smokeless chullahs, traditional method of firewood, kerosene, etc.)

Chullah

5(xii). Reason for not using gas based cooking and proposal to convert.

No source.hilly area

6(i). Details of plan to train teachers and organizers/cooks/helpers?

Nil

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

Yes

7(i). Details of orienting teachers regarding their role in the scheme?

Good

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

Yes

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

Yes

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

Cooks

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

No

8(iii). Total No. of Organizers,cooks and helper.

1

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

No

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

Cook

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

Zero

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

No

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

No

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

No

2(i). Whether the food grains are transported from FCI or supply is taken from fair price shop?

Foodgrains are transported by CAPD Deptt. and made available at Govt. Depot/Fair Price Shop nearest to the school

2(ii). What are the arrangements for transporting food grains from FCI godown/fair price shop to school to ensure that the actual quality and quantity as supplied by these agencies reaches to the school store room?

THROUGH VEHICLE

3(i). How quality of cooked meal, particularly addition of vegetables and supply of fruits, eggs etc. are ensured?

As per the guidelines of the scheme 50 gm of vegetable for Pry and 75 gm for U.Pry should be served in cooking meal served to the children. Fruits and eggs are not served in our school. I/c MDM is responsible for ensuring the quality

3(ii). How is the calorific value (450 calories and 12 gms. of protein to every child at primary level & 700 calories and 20 gms. of protein to every child at upper primary level) ensured?

Nutritious meals is served in the school. There is no way of measuring calorific value in however

3(iii). What is the system of assessing the nutritional value of the meal under MDM scheme?

## BY CHECKING WEIGHT AND HEIGHT

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under Pry and vegetables 75 gm and dal 30 gm under Upper Pry.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

43388

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

NO

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

NIL

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

YES, 1

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

5

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

25 plates, 15 glass

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

Yes 1

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

Yes

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

Yes

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

Yes 15/5

5(xi). Nature of fuel being used (gas based, smokeless chullahs, traditional method of firewood, kerosene, etc.)

Gas and smokeless chullah

5(xii). Reason for not using gas based cooking and proposal to convert.

Nil

6(i). Details of plan to train teachers and organizers/cooks/helpers?

Nil

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

VEC

7(i). Details of orienting teachers regarding their role in the scheme?

Nil

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

Yes

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

Yes

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

Cooks

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

No

8(iii). Total No. of Organizers,cooks and helper.

2

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

No

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

By bank

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

By VEC

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

No

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

No

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

Nil

10(ii). What are the mechanisms for monitoring the scheme?

Nil

No system is available in school but we try to serve nutritious meals to the children

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under PwY and vegetables 75 gm and dal 30 gm under Upper PwY.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

Yes kitchen 15x8ft.

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

No

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

No measures

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

Yes 1 plastic 50kg.

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

Yes 2 pitala 1 cooker

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

Yes plates

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

Yes

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

Yes

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

Yes

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

Yes

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

Gas based

5(xii). Reason for not using gas based cooking and proposal to convert.

No reson

6(i). Details of plan to train teachers and organizers/cooks/helpers?

No planning

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

VEC

7(i). Details of orienting teachers regarding their role in the scheme?

To run properly

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

Yes

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

Yes

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

Cooks by VEC

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

Yes

8(iii). Total No. of Organizers,cooks and helper.

1

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

Yes

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

Cook

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

VECand dept.

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

No

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

DIET AND CONVENOR

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

Regular checkup

10(ii). What are the mechanisms for monitoring the scheme?

Ic mdm

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

Yes

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

No

## Data Captured as per the Compliance of W.P No.618 of 2013 for Zone Mahanpur in Kathua

SNO : 1007

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

Prepared as per norms of SSA

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

Not aplicable

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

Not aplicable

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

1and of 30kg

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

Yes. 2patile,1cooker each of 5litre

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

Yes

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

Counter with soap

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

Yes

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

Yes

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

Yes veranda. 10m\*1m

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

Gas based

5(xii). Reason for not using gas based cooking and proposal to convert.

—

6(i). Details of plan to train teachers and organizers/cooks/helpers?

Not any plan to train cooks

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

Yes

7(i). Details of orienting teachers regarding their role in the scheme?

Pursuing instructions as laid by the administration

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

Yes

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

Yes

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

Cooks|helpers engaged by the department

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

Not involved

8(iii). Total No. of Organizers,cooks and helper.

1

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

Not involved

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

Not given

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

Department is engaging the cooks

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

Not

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

Not organised frequently

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

In this regards instructions are followed as they are given by department

10(ii). What are the mechanisms for monitoring the scheme?

Not really any mechanisms

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

No

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

Not commissioned

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

yes

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

no

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

no

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

yed

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

yes

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

yed

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

yed

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

yes

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

yes

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

yes

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

smoke less chullhas

5(xii). Reason for not using gas based cooking and proposal to convert.

gas agency is too fartesting

6(i). Details of plan to train teachers and organizers/cooks/helpers?

no

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

vec

7(i). Details of orienting teachers regarding their role in the scheme?

no

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

no

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

no

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

no

## Data Captured as per the Compliance of W.P No.618 of 2013 for Zone Mahanpur in Kathua

SNO : 1011

UDISE Code of School : 1141600903

Province : Jammu

Districts : Kathua

Block of District : Mahanpur

School Educational Zone : Mahanpur

CRC : Manoo

Type of School : Primary

Name of School : Govt NPS Kapayee

1.Total No. of students enrolled in the school? : 17

Total No. of students covered under Mid Day Meal Scheme : 17

2(i). Whether the food grains are transported from FCI or supply is taken from fair price shop?

Foodgrains are transported by CAPD Deptt. and made available at Govt. Depot/Fair Price Shop nearest to the school

2(ii). What are the arrangements for transporting food grains from FCI godown/fair price shop to school to ensure that the actual quality and quantity as supplied by these agencies reaches to the school store room?

Auto and labour

3(i). How quality of cooked meal, particularly addition of vegetables and supply of fruits, eggs etc. are ensured?

As per the guidelines of the scheme 50 gm of vegetable for Pry and 75 gm for U.Pry should be served in cooking meal served to the children. Fruits and eggs are not served in our school. I/c MDM is responsible for ensuring the quality

3(ii). How is the calorific value (450 calories and 12 gms. of protein to every child at primary level & 700 calories and 20 gms. of protein to every child at upper primary level) ensured?

Nutritious meals is served in the school. There is no way of measuring calorific value in however

3(iii). What is the system of assessing the nutritional value of the meal under MDM scheme?

No system is available in school but we try to serve nutritious meals to the children

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under PwY and vegetables 75 gm and dal 30 gm under Upper PwY.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

Yes

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

5 feet

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

Yes

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

Yes

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

Yes

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

Yes

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

Yes

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

Yes

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

Yes

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

Firewood

5(xii). Reason for not using gas based cooking and proposal to convert.

Not available

6(i). Details of plan to train teachers and organizers/cooks/helpers?

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

Yes

7(i). Details of orienting teachers regarding their role in the scheme?

Proper arrangements

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

Yes

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

No

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

No

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

Cooks

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

No

8(iii). Total No. of Organizers,cooks and helper.

1

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

No

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

Yes

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

Zeo

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

No

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

No

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

VEC, assessment of quality of MDM

10(ii). What are the mechanisms for monitoring the scheme?

VEC

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

No

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

No

## Data Captured as per the Compliance of W.P No.618 of 2013 for Zone Mahanpur in Kathua

SNO : 1015

UDISE Code of School : 1141602101

Province : Jammu

Districts : Kathua

Block of District : Mahanpur

School Educational Zone : Mahanpur

CRC : MS Simni

Type of School : Middle

Name of School : Govt UPS Koher

1.Total No. of students enrolled in the school? : 73

Total No. of students covered under Mid Day Meal Scheme :

2(i). Whether the food grains are transported from FCI or supply is taken from fair price shop?

Foodgrains are transported by CAPD Deptt. and made available at Govt. Depot/Fair Price Shop nearest to the school

2(ii). What are the arrangements for transporting food grains from FCI godown/fair price shop to school to ensure that the actual quality and quantity as supplied by these agencies reaches to the school store room?

On mules

3(i). How quality of cooked meal, particularly addition of vegetables and supply of fruits, eggs etc. are ensured?

As per the guidelines of the scheme 50 gm of vegetable for Pry and 75 gm for U.Pry should be served in cooking meal served to the children. Fruits and eggs are not served in our school. I/c MDM is responsible for ensuring the quality

3(ii). How is the calorific value (450 calories and 12 gms. of protein to every child at primary level & 700 calories and 20 gms. of protein to every child at upper primary level) ensured?

Nutritious meals is served in the school. There is no way of measuring calorific value in however

3(iii). What is the system of assessing the nutritional value of the meal under MDM scheme?

No system is available in school but we try to serve nutritious meals to the children

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under PwY and vegetables 75 gm and dal 30 gm under Upper PwY.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

no

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

Yes 1 drum

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

No

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

Firewood

5(xii). Reason for not using gas based cooking and proposal to convert.

Expensive

6(i). Details of plan to train teachers and organizers/cooks/helpers?

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

Yes

7(i). Details of orienting teachers regarding their role in the scheme?

MDM incharge

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

Yes

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

Yes

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

(i) cooks/helpers engaged by the department

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

No

8(iii). Total No. of Organizers,cooks and helper.

2

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

No

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

(iii) cook and (iv) helper

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

Engaged why department on the recommendations of vec

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

No

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

Na

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

Rs1000 pm

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

ZEOS

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

No

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

Yes

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

It is going to act effectively

10(ii). What are the mechanisms for monitoring the scheme?

SMC VEC MTA

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

No

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

Not known

## Data Captured as per the Compliance of W.P No.618 of 2013 for Zone Mahanpur in Kathua

SNO : 1019

UDISE Code of School : 1141600608

Province : Jammu

Districts : Kathua

Block of District : Mahanpur

School Educational Zone : Mahanpur

CRC : G.M.S.Kehllari

Type of School :

Name of School : P. S. Swankh

1.Total No. of students enrolled in the school? : 10

Total No. of students covered under Mid Day Meal Scheme : 10

2(i). Whether the food grains are transported from FCI or supply is taken from fair price shop?

Foodgrains are transported by CAPD Deptt. and made available at Govt. Depot/Fair Price Shop nearest to the school

2(ii). What are the arrangements for transporting food grains from FCI godown/fair price shop to school to ensure that the actual quality and quantity as supplied by these agencies reaches to the school store room?

Load carrier

3(i). How quality of cooked meal, particularly addition of vegetables and supply of fruits, eggs etc. are ensured?

As per the guidelines of the scheme 50 gm of vegetable for Pry and 75 gm for U.Pry should be served in cooking meal served to the children. Fruits and eggs are not served in our school. I/c MDM is responsible for ensuring the quality

3(ii). How is the calorific value (450 calories and 12 gms. of protein to every child at primary level & 700 calories and 20 gms. of protein to every child at upper primary level) ensured?

Nutritious meals is served in the school. There is no way of measuring calorific value in however

3(iii). What is the system of assessing the nutritional value of the meal under MDM scheme?

No system is available in school but we try to serve nutritious meals to the children

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under PwY and vegetables 75 gm and dal 30 gm under Upper PwY.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

Yes. 12"8'

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

No

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

Yes 1

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

Yes

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

Yes

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

Yes

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

Yes

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

Yes

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

No

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

Gas and smokelesschullhas

5(xii). Reason for not using gas based cooking and proposal to convert.

6(i). Details of plan to train teachers and organizers/cooks/helpers?

No

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

Yes

7(i). Details of orienting teachers regarding their role in the scheme?

No

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

Yes

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

Yes

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

1

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

No

8(iii). Total No. of Organizers,cooks and helper.

1

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

No

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

1000

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

Nominated by VEC and appointed by DDO

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

No

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

No

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

VEC

10(ii). What are the mechanisms for monitoring the scheme?

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

Yes

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

2(i). Whether the food grains are transported from FCI or supply is taken from fair price shop?

Foodgrains are transported by CAPD Deptt. and made available at Govt. Depot/Fair Price Shop nearest to the school

2(ii). What are the arrangements for transporting food grains from FCI godown/fair price shop to school to ensure that the actual quality and quantity as supplied by these agencies reaches to the school store room?

FCI godown

3(i). How quality of cooked meal, particularly addition of vegetables and supply of fruits, eggs etc. are ensured?

As per the guidelines of the scheme 50 gm of vegetable for Pry and 75 gm for U.Pry should be served in cooking meal served to the children. Fruits and eggs are not served in our school. I/c MDM is responsible for ensuring the quality

3(ii). How is the calorific value (450 calories and 12 gms. of protein to every child at primary level & 700 calories and 20 gms. of protein to every child at upper primary level) ensured?

Nutritious meals is served in the school. There is no way of measuring calorific value in however

3(iii). What is the system of assessing the nutritional value of the meal under MDM scheme?

No system is available in school but we try to serve nutritious meals to the children

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under Pry and vegetables 75 gm and dal 30 gm under Upper Pry.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

Yes

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

Yes

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

Yes

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

Yes

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

Yes

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

gas based

5(xii). Reason for not using gas based cooking and proposal to convert.

6(i). Details of plan to train teachers and organizers/cooks/helpers?

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

yes

7(i). Details of orienting teachers regarding their role in the scheme?

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

Yes

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

Yes

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

#### Cook

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

8(iii). Total No. of Organizers,cooks and helper.

1

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

#### Through ZEO

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

10(ii). What are the mechanisms for monitoring the scheme?

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

No

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

no

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

5(xii). Reason for not using gas based cooking and proposal to convert.

6(i). Details of plan to train teachers and organizers/cooks/helpers?

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

7(i). Details of orienting teachers regarding their role in the scheme?

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

8(iii). Total No. of Organizers,cooks and helper.

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning and washing of food grains, etc. before using and good practices of

cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

10(ii). What are the mechanisms for monitoring the scheme?

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

## Data Captured as per the Compliance of W.P No.618 of 2013 for Zone Mahanpur in Kathua

SNO : 1028

UDISE Code of School : 1141600609

Province : Jammu

Districts : Kathua

Block of District : Mahanpur

School Educational Zone : Mahanpur

CRC : Kelhari

Type of School :

Name of School : Govt. N. P. S. Kotla

1.Total No. of students enrolled in the school? : 4

Total No. of students covered under Mid Day Meal Scheme : 4

2(i). Whether the food grains are transported from FCI or supply is taken from fair price shop?

Foodgrains are transported by CAPD Deptt. and made available at Govt. Depot/Fair Price Shop nearest to the school

2(ii). What are the arrangements for transporting food grains from FCI godown/fair price shop to school to ensure that the actual quality and quantity as supplied by these agencies reaches to the school store room?

Hired vehicle and labour

3(i). How quality of cooked meal, particularly addition of vegetables and supply of fruits, eggs etc. are ensured?

As per the guidelines of the scheme 50 gm of vegetable for Pry and 75 gm for U.Pry should be served in cooking meal served to the children. Fruits and eggs are not served in our school. I/c MDM is responsible for ensuring the quality

3(ii). How is the calorific value (450 calories and 12 gms. of protein to every child at primary level & 700 calories and 20 gms. of protein to every child at upper primary level) ensured?

Nutritious meals is served in the school. There is no way of measuring calorific value in however

3(iii). What is the system of assessing the nutritional value of the meal under MDM scheme?

No system is available in school but we try to serve nutritious meals to the children

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under PwY and vegetables 75 gm and dal 30 gm under Upper PwY.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

Pucca kitchen 12ft by 8ft

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

No

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

Na

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

4

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

2

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

Yes

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

Yes

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

Yes

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

Yes

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

Yes

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

Fire wood

5(xii). Reason for not using gas based cooking and proposal to convert.

No connection

6(i). Details of plan to train teachers and organizers/cooks/helpers?

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

Yes

7(i). Details of orienting teachers regarding their role in the scheme?

Guidelines by higher authority

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

Yes

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

Yes

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

Cook

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

Na

8(iii). Total No. of Organizers,cooks and helper.

1

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

Na

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

Yes

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

Higher authority

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

No

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

No

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

Parents meeting

10(ii). What are the mechanisms for monitoring the scheme?

Daily and Monthly report to higher authority

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

No

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

DIET Basohli and VEC

Meeting with parents

10(ii). What are the mechanisms for monitoring the scheme?

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

No

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

No

## Data Captured as per the Compliance of W.P No.618 of 2013 for Zone Mahanpur in Kathua

SNO : 1032

UDISE Code of School : 1141600802

Province : Jammu

Districts : Kathua

Block of District : Mahanpur

School Educational Zone : Mahanpur

CRC : Govt high school Manoo.

Type of School : Primary

Name of School : Govt. pry. School Manoo.

1.Total No. of students enrolled in the school? : 3

Total No. of students covered under Mid Day Meal Scheme : 3

2(i). Whether the food grains are transported from FCI or supply is taken from fair price shop?

Foodgrains are transported by CAPD Deptt. and made available at Govt. Depot/Fair Price Shop nearest to the school

2(ii). What are the arrangements for transporting food grains from FCI godown/fair price shop to school to ensure that the actual quality and quantity as supplied by these agencies reaches to the school store room?

Paycentre manage it.

3(i). How quality of cooked meal, particularly addition of vegetables and supply of fruits, eggs etc. are ensured?

As per the guidelines of the scheme 50 gm of vegetable for Pry and 75 gm for U.Pry should be served in cooking meal served to the children. Fruits and eggs are not served in our school. I/c MDM is responsible for ensuring the quality

3(ii). How is the calorific value (450 calories and 12 gms. of protein to every child at primary level & 700 calories and 20 gms. of protein to every child at upper primary level) ensured?

Nutritious meals is served in the school. There is no way of measuring calorific value in however

3(iii). What is the system of assessing the nutritional value of the meal under MDM scheme?

No system is available in school but we try to serve nutritious meals to the children

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under PwY and vegetables 75 gm and dal 30 gm under Upper PwY.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

Yes

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

No

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

No

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

Yes

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

Yes

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

Yes except bowl&spoon

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

Yes 01

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

Yes

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

Yes

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

Yes veranda

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

Firewood

5(xii). Reason for not using gas based cooking and proposal to convert.

Funds not available

6(i). Details of plan to train teachers and organizers/cooks/helpers?

Nil

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

Cook

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

No

8(iii). Total No. of Organizers,cooks and helper.

1

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

No

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

1000

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

Paycentre incharge HM.M.S. and VEC

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

No

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

No

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

Looking everything and taste of food

10(ii). What are the mechanisms for monitoring the scheme?

To check the food grains and taste the meal.

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

Yes

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

No

## Data Captured as per the Compliance of W.P No.618 of 2013 for Zone Mahanpur in Kathua

SNO : 1036

UDISE Code of School : 1141602406

Province : Jammu

Districts : Kathua

Block of District : Mahanpur

School Educational Zone : Mahanpur

CRC : Simni

Type of School : Primary

Name of School : Govt nps karmoo

1.Total No. of students enrolled in the school? : 22

Total No. of students covered under Mid Day Meal Scheme : 22

2(i). Whether the food grains are transported from FCI or supply is taken from fair price shop?

Foodgrains are transported by CAPD Deptt. and made available at Govt. Depot/Fair Price Shop nearest to the school

2(ii). What are the arrangements for transporting food grains from FCI godown/fair price shop to school to ensure that the actual quality and quantity as supplied by these agencies reaches to the school store room?

Fci go down

3(i). How quality of cooked meal, particularly addition of vegetables and supply of fruits, eggs etc. are ensured?

As per the guidelines of the scheme 50 gm of vegetable for Pry and 75 gm for U.Pry should be served in cooking meal served to the children. Fruits and eggs are not served in our school. I/c MDM is responsible for ensuring the quality

3(ii). How is the calorific value (450 calories and 12 gms. of protein to every child at primary level & 700 calories and 20 gms. of protein to every child at upper primary level) ensured?

Nutritious meals is served in the school. There is no way of measuring calorific value in however

3(iii). What is the system of assessing the nutritional value of the meal under MDM scheme?

No system is available in school but we try to serve nutritious meals to the children

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under PwY and vegetables 75 gm and dal 30 gm under Upper PwY.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

Yes

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

No

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

No

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

No

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

Yes full size

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

Yes

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

No

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

Yes

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

Smokeless chullhas

5(xii). Reason for not using gas based cooking and proposal to convert.

No grant

6(i). Details of plan to train teachers and organizers/cooks/helpers?

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

Yes

7(i). Details of orienting teachers regarding their role in the scheme?

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

No

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

No

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

No

## Data Captured as per the Compliance of W.P No.618 of 2013 for Zone Mahanpur in Kathua

SNO : 1040

UDISE Code of School : 1141601413

Province : Jammu

Districts : Kathua

Block of District : Mahanpur

School Educational Zone : Mahanpur

CRC : Athialta

Type of School : Primary

Name of School : Govt.Nps Tharaf

1.Total No. of students enrolled in the school? : 12

Total No. of students covered under Mid Day Meal Scheme : 12

2(i). Whether the food grains are transported from FCI or supply is taken from fair price shop?

Foodgrains are transported by CAPD Deptt. and made available at Govt. Depot/Fair Price Shop nearest to the school

2(ii). What are the arrangements for transporting food grains from FCI godown/fair price shop to school to ensure that the actual quality and quantity as supplied by these agencies reaches to the school store room?

No

3(i). How quality of cooked meal, particularly addition of vegetables and supply of fruits, eggs etc. are ensured?

As per the guidelines of the scheme 50 gm of vegetable for Pry and 75 gm for U.Pry should be served in cooking meal served to the children. Fruits and eggs are not served in our school. I/c MDM is responsible for ensuring the quality

3(ii). How is the calorific value (450 calories and 12 gms. of protein to every child at primary level & 700 calories and 20 gms. of protein to every child at upper primary level) ensured?

Nutritious meals is served in the school. There is no way of measuring calorific value in however

3(iii). What is the system of assessing the nutritional value of the meal under MDM scheme?

No system is available in school but we try to serve nutritious meals to the children

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under PwY and vegetables 75 gm and dal 30 gm under Upper PwY.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

No

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

No

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

No

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

Yes, 2 ,50kg steel

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

Yes ,2, 5kg

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

Yes

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

No

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

No

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

No

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

Yes , varanda 120sq.ft

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

Traditional method of firewood

5(xii). Reason for not using gas based cooking and proposal to convert.

Not sufficient

6(i). Details of plan to train teachers and organizers/cooks/helpers?

No

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

No

7(i). Details of orienting teachers regarding their role in the scheme?

Yes

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

Yes

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

Yes

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

Cooks

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

No

8(iii). Total No. of Organizers,cooks and helper.

1

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

No

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

Yes

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

By department

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

No

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

No

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

Parent tr. Meeting

10(ii). What are the mechanisms for monitoring the scheme?

Department

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

No

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

No

3(i). How quality of cooked meal, particularly addition of vegetables and supply of fruits, eggs etc. are ensured?

As per the guidelines of the scheme 50 gm of vegetable for Pry and 75 gm for U.Pry should be served in cooking meal served to the children. Fruits and eggs are not served in our school. I/c MDM is responsible for ensuring the quality

3(ii). How is the calorific value (450 calories and 12 gms. of protein to every child at primary level & 700 calories and 20 gms. of protein to every child at upper primary level) ensured?

Nutritious meals is served in the school. There is no way of measuring calorific value in however

3(iii). What is the system of assessing the nutritional value of the meal under MDM scheme?

No system is available in school but we try to serve nutritious meals to the children

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under PwY and vegetables 75 gm and dal 30 gm under Upper PwY.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

no

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

No

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

5(xii). Reason for not using gas based cooking and proposal to convert.

6(i). Details of plan to train teachers and organizers/cooks/helpers?

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

7(i). Details of orienting teachers regarding their role in the scheme?

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

8(iii). Total No. of Organizers,cooks and helper.

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning and washing of food grains, etc. before using and good practices of

cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

10(ii). What are the mechanisms for monitoring the scheme?

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

Not any kitchen

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

No

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

No

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

No

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

One 10ltr pressure cooker

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

No

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

No

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

No

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

No

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

No

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

Firewood chullhas

5(xii). Reason for not using gas based cooking and proposal to convert.

No grant

6(i). Details of plan to train teachers and organizers/cooks/helpers?

Two trained teacher two cooks

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

Yes

7(i). Details of orienting teachers regarding their role in the scheme?

No

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

Yes

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

Yes

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

Cooks engaged by department

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

8(iii). Total No. of Organizers,cooks and helper.

2

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

Yes

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

ZEO

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

Yes

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

No

10(ii). What are the mechanisms for monitoring the scheme?

No

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

## Data Captured as per the Compliance of W.P No.618 of 2013 for Zone Mahanpur in Kathua

SNO : 1049

UDISE Code of School : 1141600405

Province : Jammu

Districts : Kathua

Block of District : Basohli

School Educational Zone : Mahanpur

CRC :

Type of School : Middle

Name of School : Ups khalow

1.Total No. of students enrolled in the school? : 20

Total No. of students covered under Mid Day Meal Scheme : 20

2(i). Whether the food grains are transported from FCI or supply is taken from fair price shop?

Foodgrains are transported by CAPD Deptt. and made available at Govt. Depot/Fair Price Shop nearest to the school

2(ii). What are the arrangements for transporting food grains from FCI godown/fair price shop to school to ensure that the actual quality and quantity as supplied by these agencies reaches to the school store room?

Fci godown

3(i). How quality of cooked meal, particularly addition of vegetables and supply of fruits, eggs etc. are ensured?

As per the guidelines of the scheme 50 gm of vegetable for Pry and 75 gm for U.Pry should be served in cooking meal served to the children. Fruits and eggs are not served in our school. I/c MDM is responsible for ensuring the quality

3(ii). How is the calorific value (450 calories and 12 gms. of protein to every child at primary level & 700 calories and 20 gms. of protein to every child at upper primary level) ensured?

Nutritious meals is served in the school. There is no way of measuring calorific value in however

3(iii). What is the system of assessing the nutritional value of the meal under MDM scheme?

No system is available in school but we try to serve nutritious meals to the children

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under PwY and vegetables 75 gm and dal 30 gm under Upper PwY.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

No

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

No

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

No

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

No

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

No

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

No

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

No

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

No

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

No

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

8(iii). Total No. of Organizers,cooks and helper.

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning

and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

10(ii). What are the mechanisms for monitoring the scheme?

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

## Data Captured as per the Compliance of W.P No.618 of 2013 for Zone Mahanpur in Kathua

SNO : 1053

UDISE Code of School : 1141600403

Province : Jammu

Districts : Kathua

Block of District : Basholi

School Educational Zone : Mahanpur

CRC :

Type of School : Middle

Name of School : Ms boys plassi

1.Total No. of students enrolled in the school? : 21

Total No. of students covered under Mid Day Meal Scheme : 21

2(i). Whether the food grains are transported from FCI or supply is taken from fair price shop?

Foodgrains are transported by CAPD Deptt. and made available at Govt. Depot/Fair Price Shop nearest to the school

2(ii). What are the arrangements for transporting food grains from FCI godown/fair price shop to school to ensure that the actual quality and quantity as supplied by these agencies reaches to the school store room?

Fci

3(i). How quality of cooked meal, particularly addition of vegetables and supply of fruits, eggs etc. are ensured?

As per the guidelines of the scheme 50 gm of vegetable for Pry and 75 gm for U.Pry should be served in cooking meal served to the children. Fruits and eggs are not served in our school. I/c MDM is responsible for ensuring the quality

3(ii). How is the calorific value (450 calories and 12 gms. of protein to every child at primary level & 700 calories and 20 gms. of protein to every child at upper primary level) ensured?

Nutritious meals is served in the school. There is no way of measuring calorific value in however

3(iii). What is the system of assessing the nutritional value of the meal under MDM scheme?

No system is available in school but we try to serve nutritious meals to the children

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under PwY and vegetables 75 gm and dal 30 gm under Upper PwY.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

no

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

No

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

No

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

5(xii). Reason for not using gas based cooking and proposal to convert.

6(i). Details of plan to train teachers and organizers/cooks/helpers?

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

7(i). Details of orienting teachers regarding their role in the scheme?

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

3(i). How quality of cooked meal, particularly addition of vegetables and supply of fruits, eggs etc. are ensured?

As per the guidelines of the scheme 50 gm of vegetable for Pry and 75 gm for U.Pry should be served in cooking meal served to the children. Fruits and eggs are not served in our school. I/c MDM is responsible for ensuring the quality

3(ii). How is the calorific value (450 calories and 12 gms. of protein to every child at primary level & 700 calories and 20 gms. of protein to every child at upper primary level) ensured?

Nutritious meals is served in the school. There is no way of measuring calorific value in however

3(iii). What is the system of assessing the nutritional value of the meal under MDM scheme?

No system is available in school but we try to serve nutritious meals to the children

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under PwY and vegetables 75 gm and dal 30 gm under Upper PwY.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

no

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

No

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

No

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

5(xii). Reason for not using gas based cooking and proposal to convert.

6(i). Details of plan to train teachers and organizers/cooks/helpers?

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

7(i). Details of orienting teachers regarding their role in the scheme?

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

8(iii). Total No. of Organizers,cooks and helper.

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning

and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

10(ii). What are the mechanisms for monitoring the scheme?

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

5(xii). Reason for not using gas based cooking and proposal to convert.

6(i). Details of plan to train teachers and organizers/cooks/helpers?

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

7(i). Details of orienting teachers regarding their role in the scheme?

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

8(iii). Total No. of Organizers,cooks and helper.

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning

and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

10(ii). What are the mechanisms for monitoring the scheme?

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

## Data Captured as per the Compliance of W.P No.618 of 2013 for Zone Mahanpur in Kathua

SNO : 1062

UDISE Code of School : 1141601802

Province : Jammu

Districts : Kathua

Block of District : Kathua

School Educational Zone : Mahanpur

CRC : PLASSI

Type of School : Primary

Name of School : GPS POONDA

1.Total No. of students enrolled in the school? : 4

Total No. of students covered under Mid Day Meal Scheme : 4

2(i). Whether the food grains are transported from FCI or supply is taken from fair price shop?

Foodgrains are transported by CAPD Deptt. and made available at Govt. Depot/Fair Price Shop nearest to the school

2(ii). What are the arrangements for transporting food grains from FCI godown/fair price shop to school to ensure that the actual quality and quantity as supplied by these agencies reaches to the school store room?

Yes

3(i). How quality of cooked meal, particularly addition of vegetables and supply of fruits, eggs etc. are ensured?

As per the guidelines of the scheme 50 gm of vegetable for Pry and 75 gm for U.Pry should be served in cooking meal served to the children. Fruits and eggs are not served in our school. I/c MDM is responsible for ensuring the quality

3(ii). How is the calorific value (450 calories and 12 gms. of protein to every child at primary level & 700 calories and 20 gms. of protein to every child at upper primary level) ensured?

Nutritious meals is served in the school. There is no way of measuring calorific value in however

3(iii). What is the system of assessing the nutritional value of the meal under MDM scheme?

No system is available in school but we try to serve nutritious meals to the children

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under PwY and vegetables 75 gm and dal 30 gm under Upper PwY.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

no

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

No

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

No

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?

## Data Captured as per the Compliance of W.P No.618 of 2013 for Zone Mahanpur in Kathua

SNO : 1066

UDISE Code of School : 1141601003

Province : Jammu

Districts : Kathua

Block of District : Kathua

School Educational Zone : Mahanpur

CRC : NAGALI

Type of School : Primary

Name of School : PS TARORA

1.Total No. of students enrolled in the school? : 39

Total No. of students covered under Mid Day Meal Scheme : 39

2(i). Whether the food grains are transported from FCI or supply is taken from fair price shop?

Foodgrains are transported by CAPD Deptt. and made available at Govt. Depot/Fair Price Shop nearest to the school

2(ii). What are the arrangements for transporting food grains from FCI godown/fair price shop to school to ensure that the actual quality and quantity as supplied by these agencies reaches to the school store room?

Yes

3(i). How quality of cooked meal, particularly addition of vegetables and supply of fruits, eggs etc. are ensured?

As per the guidelines of the scheme 50 gm of vegetable for Pry and 75 gm for U.Pry should be served in cooking meal served to the children. Fruits and eggs are not served in our school. I/c MDM is responsible for ensuring the quality

3(ii). How is the calorific value (450 calories and 12 gms. of protein to every child at primary level & 700 calories and 20 gms. of protein to every child at upper primary level) ensured?

Nutritious meals is served in the school. There is no way of measuring calorific value in however

3(iii). What is the system of assessing the nutritional value of the meal under MDM scheme?

No system is available in school but we try to serve nutritious meals to the children

3(iv). Who is planning the weekly menu? Is the weekly menu displayed in the school?

It is planned by the District Officer Concerned. There is a prescribed weekly menu and is displayed to the school. Sometimes it may change subject to the availability of food items

3(v). Have any nutritional experts been involved in planning and evaluation of menus and quality of food served under the programme?

No

3(vi). Is there any standard prescription to include minimum quantity of vegetables, dal /lentils? How its implementation is ensured?

Yes, vegetables 50 gm and dal 20 gm under PwY and vegetables 75 gm and dal 30 gm under Upper PwY.

3(vii). Are eggs, fruits etc. being served and how frequently?

No

4(i). Whether regularity, wholesomeness and overall quality of mid day meal served to children is being monitored on daily basis, if yes, then by whom?

1. Yes by the head of the institute. 2. Any Parent. 3. Local Administration

4(ii). Whether cleanliness in cooking, serving and consumption of mid day meal is being monitored on daily basis, if yes then by whom?

Yes this is the responsibility of MDM incharge and Cook Cum Helper

4(iii). Whether timely procurement of ingredients, fuel, etc. of good quality is monitored on weekly basis?

Yes

4(iv). Whether quantity of raw food material (each item) taken out for cooking is recorded in register on daily basis under signature of a designated monitoring person?

Not on daily basis

4(v). Whether raw material is inspected daily before being put to use for cooking? Whether any register entry is maintained on daily basis under signature of a designated monitoring person?

Yes they are inspected daily. Yes registered entry is maintained.

5(i). Whether school/centre has pucca kitchen cum store as per specification of para 4.2/r/w Ann. 9? If yes then give size and other details of kitchen and store, both separately.

no

5(ii). Whether cooked food is procured from a centralized kitchen? If yes, then give the distance of the centralized kitchen from the school. How much time it takes for the cooked food to reach the school and whether it comes hot, in good and eatable condition?

No

5(iii). What measures, if any, are being adopted to test and ensure quality and quantity of food in case food is procured from a centralized kitchen?

No

5(iv). Whether school/centre has storage bins? If yes, give number, size and nature of bins.

5(v). Whether the school/centre has cooking utensils? If yes, give their number and size.

5(vi) Whether the school/centre has utensils for children to have food (plate, glass, bowl, spoon, one each per child) ?

5(vii). Whether the school/centre has functional hand wash facility/counters with soap? If yes, give their number.

5(viii). Whether the school/centre has proper arrangement for pure drinking water?

5(ix). Whether the school/centre has proper arrangement for clean water for washing vegetables, pulses, grains and cleaning used utensils?

5(x). Whether the school/center has a suitable and child friendly eating place, say a dining room or veranda? If yes, give its size and other details for arrangements for light and air.

5(xi). Nature of fuel being used (gas based, smokeless chullhas, traditional method of firewood, kerosene, etc.)

5(xii). Reason for not using gas based cooking and proposal to convert.

6(i). Details of plan to train teachers and organizers/cooks/helpers?

6(ii). Are VECs (village education committees), SMCs (steering and Monitoring committee), MTAs (mothers-teachers association), etc. oriented for effective implementation through their close supervision?

7(i). Details of orienting teachers regarding their role in the scheme?

7(ii). Has a training module been developed in 20 days in service training for teachers under SSA (Sarv siksha abhiyaan)? Details of teacher training conducted in this regard.

7(iii). Whether teachers are using the scheme to educate children about hygiene, discipline, social equity, conservation of water, etc.

8(i). Who is cooking the meal? (Please give breakup) (i) Cooks/helpers engaged by the department/village panchayat. (ii) Self help groups (iii) NGOs (iv) Mothers groups (v) Any other

8(ii). Where NGOs are involved, it may be specified whether their selection is in accordance with the guidelines of MDM scheme.

8(iii). Total No. of Organizers,cooks and helper.

8(iv). Are cooks/helpers given training (at least 15 days) on cleanliness, personal hygiene, cleaning of cooking area, cleaning

and washing of food grains, etc. before using and good practices of cooking, prior to employing/deploying them on the job for preparing mid day meal for children.

8(v). Remuneration being given to (i) organizers, (ii) head cook, (iii) cook and (iv) helper.

8(vi). Who is engaging the cook? How they are appointed and what is the mechanism for ensuring accountability? Are there any norms?

8(vii) Have self help groups been tapped for the programme? (if not, constraints in this regard).

9(i). Whether steering cum monitoring committees constituted at district and block level and whether regular meeting are held, frequency of meetings?

10(i). What are the steps taken to involve mothers/representatives of local bodies/gram panchayats/gram sabhas, etc., taking turns to supervise preparation of meals and feeding of children. What is the effect of this initiative?

10(ii). What are the mechanisms for monitoring the scheme?

10(iii). Whether quarterly assessment of the programme through district institutes of education & Training has begun?

11(i). Whether evaluation through external agency(s) commissioned? If yes, what are the parameters of the study?
