Exam Warriors Module

Pariksha Pe Charcha is part of the larger movement - '**Exam Warriors**' - led by Prime Minister Narendra Modi, to create a stress-free atmosphere for youngsters.

It is a movement that is driven by Prime Minister Narendra Modi's efforts to bring together students, parents, teachers and the society to foster an environment where the unique individuality of each child is celebrated, encouraged and allowed to express itself fully **Inspiring this movement is Prime Minister Narendra Modi's pathbreaking, bestselling book 'Exam Warriors'**. Through this book, the Prime Minister outlined a refreshing approach to education. Knowledge and holistic development of students are given primary importance. The Prime Minister urges everyone to put exams in the right perspective, rather than making it a life-and-death situation punctuated by undue stress and pressure.

Learning should be an enjoyable, fulfilling and endless journey - this is the message of Prime Minister Narendra Modi's book.

The Exam Warriors module on NaMo App adds an interactive tech element to the Exam Warriors movement. It communicates the core messages of each mantra that the Prime Minister has written in the book 'Exam Warriors'.

This module is not just for youngsters but also for parents and teachers. Everyone can imbibe the mantras and concepts that the Prime Minister wrote in Exam Warriors since each mantra is pictorially represented. The module also has thought-provoking but enjoyable activities that help absorb concepts through practical means.

For example:

An activity asks students to fill out and share pre-designed '**Laugh Hard Cards**' with their friends, which helps them have a good laugh with each other.

Another activity encourages parents to make children their '**Tech Guru**' and explore technological marvels along with them. This helps in bringing parents closer to children as well as builds a constructive approach towards harnessing technology.

There are multiple such interesting activities on the Exam Warriors module on NaMo App.
